

Max Healthcare's The 3rd Annual Patient Safety Conference

Theme - More to Healthcare - Perception vs Reality

1st & 2nd February 2019 | The Stein auditorium, India Habitat Centre, New Delhi

Dr. Sandeep Budhiraja

MD, DNB, FACP, FRCP (Edin)

Group Medical Director – Max Healthcare

Senior Director – Internal Medicine, Max Healthcare

Dr. Sandeep Budhiraja, Group Medical Director, Max Healthcare, heads the Clinical Directorate, which is responsible for overseeing Medical Quality, Clinical Governance, Clinician Hiring & Credentialing, Research & Training and Clinical Data Analytics, across all 14 Hospitals of Max Healthcare, which presently operates more than 2000 beds in North India, with over 2000 clinicians.

Dr. Budhiraja did his Medical Graduation & Post Graduation (MD) from Maulana Azad Medical College and then did his DNB (General Medicine) & MRCP (UK). He joined Max Healthcare as a Consultant Physician in Jan 2001, and is a Founder Member of Max. He has over 23 years of experience in the field of Internal Medicine and is presently also the Senior Director of Institute of Internal Medicine at Max Healthcare.

Dr. Budhiraja in his role as Group Medical Director, provides key clinical leadership in achieving the goal of Clinical Excellence, patient safety and aims to create Max Healthcare, as the most preferred hospitals for clinicians to work in.
